TABLE OF CONTENTS

2013 issue 02 **Right Stuf?**

This year has been strange - a winter that just never seemed to end, and then when it did end, we moved directly into summer. In a two week period recently, we had a foot of snow and 95° weather. My poor plants just don't know what to think - but that's weather in Iowa for you.

As I write this, we have just made an exciting announcement that we've entered into a distribution agreement with Sunrise, Inc. to release the full series of *Gundam Unicorn* on DVD. I can't stress enough how proud I am that Right Stuf can be involved with sales of this wonderful show! Parts 1 and 2 will be released in August, with the remainder of the series to quickly follow.

The response to our long-awaited debut of *The Rose of Versailles* has just been overwhelming. I'm so happy we were able to make this happen for the fans. Our Nozomi line's classics will continue with *Princess Knight* this summer and *Space Adventure Cobra* this winter! And there's more fun to be announced at Anime Expo! Check out our website if you can't be there to see what I reveal at this upcoming event. I can't wait to see what people think!

On the website front, we've continued to focus on usability, with our new faceted search allowing for quick filters against multiple product features. The reaction to this has been very positive and I know that our staff has worked hard on it! We've also added several new lines of products, including model kits and some import Blu-Ray releases.

Each and every one of us at Right Stuf is happy to have you as a customer. We know you have a lot of choices where you can shop these days, and we strive to be the best place for you to find anime, manga, and more. It's always a joy to hear from you - part of being a service company is listening to our customers and what's they're looking for. Let us know if there is anything we can do for you, and thanks for your business!

Best,

Shawne Kleckner

Preserving the CLASSICS

If you've ever delved into anime history, it is a certainty that you encountered the name Osamu Tezuka, father of manga, godfather of anime, and generally all-around great guy. His works defined the medium and charted the course anime would follow for years afterward, and they spoke on a universal level. Translated and broadcast nearly everywhere there were TVs, shows like *Astro Boy*, *Kimba the White Lion*, and *Princess Knight* were beloved by children across the globe.

In the United States, *Astro Boy* (the first anime ever) and *Kimba the White Lion* (the first color anime ever) aired in syndication in the early 1960s; however, the reels for the shows were discarded in the '70s when the license expired and Mushi Production, bankrupt at the time, could not afford to pay for shipping back to Japan. The original series wouldn't be seen on American televisions again until a little company called Right Stuf began a decades-long quest to bring Tezuka's most influential titles back in the spotlight.

Though we were able to obtain the rights to release *Astro Boy* in 1989, we had no show to go with them! A quest began for as many prints we could find, and Shawne Kleckner became an expert in 1960s film in the process, learning about work prints, air prints, inter-negatives, M/E prints, and more during the search. Advertisements were placed in film collector's magazines, and he obtained a list of every station that had ever aired *Astro Boy* and contacted them, one by one. Prints were discovered all around the world, from Australia to the Middle East to Zimbabwe. Sometimes, we asked collectors if they would make telecine copies of their precious reels and Right Stuf would pay for them. Many other reels were purchased outright. Thousands of dollars were spent on the hunt.

We worked towards completing the collection throughout the '90s, releasing VHS tapes containing two episodes each as we salvaged additional episodes. As the prints trickled in, each 25-30 years old and in varying condition, they had to be individually inventoried, cleaned, and assessed for what was salvageable. Often, separate pieces were assembled like a puzzle to create one episode. It was a huge undertaking. For example, English audio was frequently combined with Spanish video during the VHS days, and for our DVD releases we would recut Japanese footage to match the original English edits. As of 2006, every episode has been restored

and released, many in coordination with Australia's Madman Entertainment, but we still don't have a complete set of original English *Astro Boy* air prints.

Kimba was a similar story, though fortunately better video was available and we didn't have to re-edit the episodes. We also had a leg-up on acquisitions when that second global hunt began. When purchasing *Astro Boy* prints, Shawne frequently happened to get other '60s shows in addition. Sometimes this was on purpose, if the additional title was something Shawne was interested in, and sometimes it was the same way an eBay lot might have just one thing you need and a bunch of other stuff too. Some of the on-purpose prints included *Kimba*. Thanks to better preservation, we were able to put together a complete set of *Kimba* air prints, and the results can be seen in crisp color on our proud *Kimba the White Lion* releases.

The two biggest Tezuka shows down, Shawne just needed *Princess Knight* to achieve his personal trifecta. Like *Astro Boy* and *Kimba*, it was a show worth preserving for both historical and nostalgic reasons in a modern archive. The seminal shoujo anime, *Princess Knight* was ground-breaking, paving the way for later classics like *The Rose of Versailles* and *Revolutionary Girl Utena*. However, while *Astro Boy* and *Kimba* were cases of rights but no materials, in the case of *Princess Knight* we had access to the materials but no rights.

While Shawne could deal with a single party to obtain the license rights for *Astro Boy* and *Kimba*, multiple parties were involved with *Princess Knight* due to a "Chain of Title" dispute (a dispute of ownership). Not content to let the series languish, Shawne talked to everyone involved with the license. "This is something people want. What can we do to put it out?" His persistence over the years eventually paid off, and it was agreed to give *Princess Knight* another chance in the English market.

There was, of course, just one more snag: when our production team delved into the *Princess Knight* materials it was discovered that much of the available video wasn't in the best condition. But this wouldn't be much of a story without a happy ending! Like *Astro Boy*, we're working to clean up and restore the footage, with the result that this will be the best *Princess Knight* has ever looked in North America, including when it first aired on TV.

And so that's it for the great quest, right? *Astro Boy*, *Kimba the White Lion*, and *Princess Knight* all stand ready to once again inspire a new generation with timeless tales of adventure, courage, and heart. With the last of the Tezuka trifecta being prepared for release, it's time for Shawne to relax, kick back, and rest on his laurels... but if you happen to have an English reel from *The Amazing 3*, won't you please send Shawne an email?

STAFF PICK

TIGER & BUNNY

Anime meets the superhero genre by way of reality TV and with a hearty dollop of Zoolander thrown in for flavor - it's not a recipe I ever would have suspected Japan of cooking up, let alone making so good, but Tiger and Bunny has been a runaway hit for excellent reason. It's got action, it's got heart, it's got character types we see far too rarely, and it's got stylish mech suits with flashy attacks their in-show creator flat-out admits only exist to look cool. But above all, Tiger and Bunny is fun, and I hope more shows like it are on the horizon.

CIANNAD

TV SERIES

ORIGINAL SERIES

Alienated from his abusive father, Tomoya has been spiraling into delinquency since the death of his mother. Nagisa's curse is her fragile health, which has forced her to repeat a year of high school. But when Tomoya impulsively agrees to help Nagisa restart the school's disbanded Drama Club, a new mechanism for change is created, acting like a magnet for other girls with equally tragic stories.

AFTER STORY

A few months have passed since Tomoya declared his love to Nagisa. Now their relationship is entering a new phase, and neither is quite sure where it will take them. As their friends move on to lives of their own, Tomoya and Nagisa get ready to start a family of their own. But Nagisa's health has always been precarious, and an event that should bring nothing but joy delivers tragedy instead. Now Tomoya must learn to accept the bitter with the sweet and to understand that the most important thing is to hold onto love, no matter what.

COLORFUL: THE MOTION PICTURE

There is a train station on the other side of death, yet not all who arrive on the platform will be judged ready for passage onwards. For one uneasy soul, there will be both a test and a second chance. Rather than be reborn, this soul will awake in the body of 14-year-old suicide Makoto Kobayashi, where it must not only find a way to fit into his existence, but also unravel two mysteries. What is the secret of the great sin it committed in its own previous life, and what were the reasons that led to Makoto's suicide?

MYSTERIOUS GIRLFRIEND X

When the oddly peculiar Mikoto Urabe transfers into Akira Tsubaki's class, he finds that life has thrown him the weirdest curve ball ever. While Urabe may be an anti-social loner who sleeps on her desk, carries a pair of scissors in her underwear, and breaks out in sudden fits of insane laughter, there's something about her that Tsubaki just can't quite put his finger on... until he accidentally puts his finger in it, and suddenly the phrase "sharing spit with a girl" takes on an entirely new meaning!

NATSUYUKI RENDEZVOUS

Hazuki may be near-sighted, but he knows true beauty when he sees it. The delicate form of flower shop owner Rokka draws him in like a bee to honey. Hoping to cultivate a relationship between them, Hazuki takes a part-time job at her shop only to discover two huge thorns preventing any romance. The first is the fact that Rokka is still grieving for her late husband Shimao, but it's the second that really threatens to make Hazuki's hopes wilt. While Shimao is most definitely deceased, his spirit is still living in Rokka's apartment! Only Hazuki can see him, which leads to a very strange romantic triangle. Are Hazuki's chances with Rokka as dead as the man who still lives in her house?

SHINING HEARTS

Over the years, many strange things have washed up on the shores of Windaria, a mysterious island where humans, elves and other beings live in harmony. Rick, a former swordsman, knows this all too well, having been found on the beach with a profound case of amnesia. Perhaps that's why he takes a quick interest in Kaguya, a girl who arrives in a similar fashion. Whatever the reason, it soon becomes apparent that his skills may be required to protect the lovely castaway. Dark forces are on the move and a deadly wind is blowing into Windaria in the form of pirates, brigands and other strangers, all of whom seem to be seeking Kaguya!

The microwave is a time machine. Okarin proved it. The self-anointed mad scientist nuked bananas into some gelatinous version of the future. Or maybe it was the past. Doesn't matter. No one thought he could do it, but he did it anyway. He sent text messages through time to people he knew. To his friends. Some of them female. Pretty. He should have been more careful. He should have stopped. Tampering with the timespace continuum attracts unwelcome attention.

THE ROSE OF VERSAILLES

Riyoko Ikeda's classic series finally has come to America! Set in the days leading up to the tumultuous French Revolution, this story follows Oscar François de Jarjayes, a woman raised to live as a man, and the struggles she faces as Marie Antoinette's guard and confidante. As the story progresses, Oscar soon finds that the French Royal Court is a dangerous place, especially for someone as young and naïve as Marie. I particularly loved the faithfulness to history. The Rose of Versailles has, and I often found myself reading up on the history of the actual people as I progressed through the show.

ICHI THE KILLER

When a yakuza boss is murdered and his money is stolen, both truth and revenge are brutally sought. Leading the charge is Kalkhara, the bleach-blond pain junky whose interrogation methods are fetishistically sadistic. As the layers of the sordid tale are peeled back, it appears that someone is trying to turn rival gangs against each other. The centerpiece of this strategy is Ichi the Killer, a mysterious and completely unhinged master of slaughter. Contains Ichi the Killer and Ichi 1: Origin. Ichi 1 is subtitled only.

FREQUENTLY ASKED QUESTIONS

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL, 7+, 10+

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuff does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited / Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY? HYB?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to license a title for dual-language, or hybrid (HYB), release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. In our online store, subtitled items are represented by (S), dubbed items are represented by (D), and dual-language, or hybrids, are represented by (HYB).

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Viridian Collection," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower

prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our online store or feel free to contact Customer Care.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our online store.

Omnibus Editions

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

Print on Demand (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuff Print on Demand program and are printed to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Depending on the manufacturer, they may or may not feature artwork on the top of the discs.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a Playstation 3.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- Region Free
- United States and Canada
- Europe, Egypt, Arabia, Japan and South Africa
- Korea, Thailand, Vietnam, Borneo and Indonesia
- Australia, New Zealand, Mexico, the Caribbean and South America
- India, Africa, Russia and former USSR countries
- China

Blu-ray Region Codes:

- The Americas, Korea, Japan and Southeast Asia
- Europe, the Middle East, Africa, Australia and New Zealand
- Russia, India, China and the rest of world

GENERAL

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 3. Please note that international members of the club no longer receive print mailings due to postage costs, but the same information is available online at gotanime.com.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your new address so that we can update your membership information.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our online store, so if you're looking for a particular item, please check our online store or contact Customer Care.

Why don't you have (title here) audio soundtrack from Japan?

See the previous question. You also might want to check our online store, since some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

Can I special order items that are not on the online store?

Simply put: If it isn't on our online store, we can't get it at the moment.

Do you carry adult products?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you have ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request to:

CUSTOMER CARE

How can I contact you?

Our friendly Customer Care representatives can be reached by phone from 8AM to 5PM Central Standard Time (CST), Monday through Friday:

Domestic (U.S.): **1-800-338-6827**

You can also contact us day or night, 7 days a week, online:

On the Web: **www.rightstuf.com**

By Email: **info@rightstuf.com**

Please do not email your credit card information.

You can also contact us by the traditional methods:

By Mail: **Right Stuf**
PO Box 680
Grimes, IA 50111-0680

By Fax: **(515) 986-1129**
(Please use FINE mode)

If I move, should I inform you?

Certainly a good idea, especially if you want to keep getting stuff from us. Just call our friendly Customer Care representatives who will be happy to update your information.

Can I get a new order form?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you're fine. You can also print copies of it at www.rightstuf.com/orderform

How can I check on my order?

If you placed your order through our online store, you can check your order status when you log in. Otherwise, simply call our friendly Customer Care representatives at 1-800-338-6827 or email us at info@rightstuf.com

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs, and you will have to send us the current catalog fee to reactivate.

Why do you charge for your catalog?

In order to keep producing a printed catalog, we have to charge a small fee for it. However, you can get your money back by using the \$4-off coupon on page 2!

Can I opt out of receiving your printed catalog?

Absolutely! Please call or email our friendly Customer Care representatives and they will be able to assist you.

Privacy Policy

Right Stuf does not sell or share any personal information you may provide. This information is collected only to contact you should a problem arise with your order.

COUPONS

Can I use my coupons online?

Yes, you can. Simply use the coupon code that is on your coupon when you place your online order.

How many coupons can I use?

You can only use one coupon per order, and some coupons can only be used one time per customer. Some coupons can also only be used through our online store. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the coupon restrictions to see if it can be applied to your order.

MAIL-IN ORDERS

I went to your online store to order, but I don't have a credit card. Help!

Should you prefer to use the online store to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Print this form and mail it in with your payment.

Although you can use the online store to generate your order, nothing will be recorded by our system, so make

sure that you don't lose your form or you'll have to re-enter everything all over again! Online coupons are not valid on mail-in orders.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear.

What's this NSF charge?

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all further orders must be paid for by either credit card or money order.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

PAYMENT METHODS

Do you take VISA / MasterCard / Discover / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards. If you're paying by credit card, we may contact you to obtain additional details for security purposes. Shipment may be delayed until we have received the information necessary to complete your order.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

Can I pay by check / money order / COD?

We accept domestic (U.S.) checks and money orders in U.S. funds. Please make all checks/money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

Can I pay with my PayPal account?

Sorry, we do not accept PayPal at this time.

DOMESTIC SHIPPING CHARGES

If you are shipping to a U.S. address and your order exceeds \$49 (before freight), then Economy shipping is FREE!

Shipping Options

Economy (USPS Mail): 4-14 Days.

\$3 for first item + \$1 each additional item.

USPS Standard (Priority Mail): 2-5 Days.

\$6 for first item + \$1 each additional item.

UPS Standard (Ground): 2-5 Days.

\$8 for first item + \$2 each additional item.

UPS Express (2nd Day Air): 2 Days.

\$12 for first item + \$3 each additional item.

How much is shipping for box sets?

Box sets are considered a single item for shipping purposes.

Shipping to Military Addresses & U.S. Protectorates

If you are stationed in the service or live in the U.S. or one of its protectorates, including APO/FPO (AA, AE, AP), PR, GU and VI, please use our domestic shipping options.

I'm not at home during the day. Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. We require that you include the business' name in the address so your delivery person can get your package to you. If your package is returned to us, we will charge you an additional shipment fee to reship it. Another option is to have your order shipped by mail instead.

SHIPPING TIME

Can I get a shipment confirmation sent to me?

Shipment confirmations are sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

Are more shipping options available?

Additional shipping options are available for orders placed by phone and through our online store.

How long will it take to ship my order?

From the time we receive your order, standard processing time is 1-2 days if all of the items on your order are in stock. If some of the items on your order are backordered, it takes an average of 10-14 business days for us to receive these items from the manufacturer and this may cause a delay in the shipment of your order. Once all of your items are in stock, your order will be shipped via your selected shipment method.

How long will an item be out of stock?

With a few exceptions, item delays can be measured in days. There are some freak delays, but 10-14 business days is pretty typical. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the manufacturer or the Japanese vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

I chose express delivery when placing my order, but it took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery when we receive it from the manufacturer.

Do you do split shipments?

For domestic (U.S.) orders: We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using the economy ship method will receive partial shipments. Due to increased transportation costs, orders shipping by other methods may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting Customer Care.

RETURNING MERCHANDISE

When I got my item, it was defective. What can I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace it. Unopened DVDs and Blu-ray discs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 90 days (120 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Care at 1-800-338-6827, or utilize our online return request form at: www.rightstuf.com/requestform

Products returned without a return authorization number, or those over 90 days (120 days for Got Anime members) past the invoice date, will be returned to the customer at our option.

UPS / The Post Office smashed my package! What now?

If it was damaged by UPS, please contact UPS directly at (800)-PICK-UPS (1-800-742-5877). If it was damaged by the Post Office, please contact our friendly representatives.

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available that can be tracked. If you have accidentally been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include (special item), but mine doesn't have it!

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. 07-GHOST

All Teito Klein wants is to forget his murky past as an orphan and slave and to graduate from Barsburg's military academy with his best friend Mikage. But when an overheard state secret triggers treasonous memories, he's forced to flee from the very empire he once sought to defend! Teito escapes to the Barsburg Church. There, with the help of his three bishops, he begins to unravel his role in the story of an evil god, seven ghosts, two rival empires, and his own mysterious past.

AFTERSCHOOL CHARISMA

St. Kleio Academy is a very exclusive school: all of the students are clones of famous historical figures such as Beethoven, Queen Elizabeth I, Napoleon, Mozart, and Freud. All of them, that is, except for Shiro Kamiya. As Shiro struggles to adapt to this unusual campus, St. Kleio's first graduate, a clone of John F. Kennedy, is killed. Are the clones doomed to repeat the fate of their genetic progenitors, or can they create their own destinies?

UMINEKO: WHEN THEY CRY

From Ryukishi07, the creator of Higurashi: When They Cry, comes another chilling story. Where Higurashi was purely a series of horror tales, Umineko is much more complex murder mystery, involving a family's bitter feud over their patriarch's inheritance and the legends of his contract with a witch. As the body count rises, the members of the Ushimoriya family are unsure whether to point fingers at their own family members or to put stock in the possibility of a supernatural influence outside their understanding. STAFF PICK**HUNTER X HUNTER**

Hunter x Hunter's strength has always been in the way the story and characters fluidly adapt to new and different plot lines as author Yoshihiro Togashi dreams them up. Volume 30 wraps up the infamous Chimera Ant arc - or, as fans of the original anime series know it, the arc that takes place right after the anime stops! - and Gon, Killua, and their new allies pull out all the stops to keep the Ant King from devouring everyone. But for all the action, it's the character growth that really stands out in the fitting conclusion.

BOOK GIRL

For Tohko Amano, self-styled "book girl," being the head of

KINGDOM HEARTS FINAL MIX

I love the Kingdom Hearts series of games, but when I want a break from grinding towards 100% completion ("just four more Dalmatians...") the manga's a relaxing way to revisit my favorite plot points and enjoy the art of Shiro Aramano as he deftly blends Disney with Final Fantasy without either looking out of place. Long out of print, Yen Press is now bringing the whole series back, starting with the previously Japan-exclusive Final Mix remake version of the original Kingdom Hearts manga, and I can't wait to finally finish my collection.

NOBLE V: GREYLANDER

It is the year 7001 by Noble reckoning, and the vampire rulers of the world have grown complacent. When the Outer Space Beings invade, the Noble warrior Greylander must pit his skills and magic against the technology of the OSBs, quash an anti-Noble rebellion, and, when he is critically injured, turn to mere humans for help. The Three Thousand Year War of Vampire Hunter D begins here!
